PREAMBLE 16th ANNUAL GENERAL MEETING

Please be advised that LECA's AGM scheduled for Wednesday, April 29, 2020 at the Schubert Centre has been cancelled.

In compliance with current Federal government directives concerning Covid-19, the Schubert Centre has been closed. Similarly, in keeping with the requirement for social distancing, this type of meeting cannot take place at this time. In light of this unprecedented situation, LECA's 16th AGM will be scheduled later this year, at such time as it is feasible to do so.

The AGM Packages will be forwarded as usual to all Canadian Lakeview residents, between April 2-5. Should you have any questions or require clarification on any of the general reports, please contact lecasecretary@gmail.com. Any questions regarding the financial statements can be directed to lecatreasurer@gmail.com

There are four vacant term positions on the LECA Board this year. One of those is for the position of Treasurer which requires some accounting experience. If we do not have a volunteer for this position, Danielle Lindholm, the current Treasurer, is prepared to allow her name to stand for Treasurer. We encourage you to volunteer, all those who wish to do so can forward their names and contact information to

ismfurtado@gmail.com

Thank you, stay safe and healthy.
