President's Remarks:

Beach clean-up is done every morning at 7:30 am. This entails collecting the garbage, collecting and cleaning the empty cans and bottles, raking the beach sand, sweeping the docks and cleaning the washrooms.

This is all done by volunteers: Corinne and Cary Gobbett, Mike Lindsay and Bill Crum. We thank them for keeping this area so beautiful for all of us to enjoy.

Some of the ropes have been replaced around the swimming area and quick connectors have been installed so we can store all the ropes inside for the winter months.

Unfortunately, someone has helped themselves to the new first aid kit from the ladies washroom. This was placed there for the use of all community members. We really would like and would appreciate to see it back where it belongs in the ladies washroom.

Social Director's Update:

Our family day BBQ was a great success once again. Although the weather initially was threatening a rainy day, the sun broke out and we had a great turn out. Thank you to all the volunteers who contributed their time and efforts to make the day such a success.

This year's Adult Potluck will be held on Thursday, August 20, 2015 6:30 – 10:00Pm. Please see full details below. Information will be posted on the LECA website as well.
