1. Great Volunteer Turn Out for Beach Cleanup

Andy Coloumbe, Resource Director wrote the following:

First and foremost, I would like to thank all for their patience this year as we play catch up at the beach. The last couple years of Covid restrictions and series of unfortunate events have led to many areas of the beach facilities in need of attention. As most could see over the last couple of weeks with the improved weather, a number of volunteer helpers have been very busy completing these much-needed repairs. We realize without volunteers nothing would happen, and for this I would like to thank the following for donating their time: **Ian Jensen, Larry Shaw, Betty Gaudet, John Gleadle, Dave Kinniburgh, and Regan Borisenko.**

We still have more to do however, and would like to ask if you are interested in lending a hand, please send contact information to me at acmanitoba@hotmail.com and we can reach out as needed.

Enjoy the summer!

2. Our Adult potluck beach party is set for August 11th, starting at 5 pm and over at 9 pm. Bring your own food to share for the food table, something to drink and chairs; it will be a great opportunity to meet and welcome new neighbors and socialize with friends.

3. Payment of the annual beach usage fee of \$150 is now due. As of August 11th, any unpaid fees will result in the owner's gate card being terminated. Please send fees to lecafinance@gmail.com via e-transfer.

4. A reminder: the S curve and routes to the beach are all subject to the rules of the road. In other words, use helmets when required and obey the 30 km speed limit. The summer brings boat/trailer traffic, children on bikes and pedestrians and it's always "Safety First".

See you on the 11th at the beach!
