PRESIDENT'S REPORT

On Monday June 21 and Tuesday June 22 the Fire Smart Program will be launched at Canadian Lakeview Estates. For more information please check out:

<https://www.vernon.ca/activities-events/news-events/news-archive/deer-lake-park-will-get-firesmart-june-20-and-21>

Kick-off will be at 9 am at the old Deer Park restaurant site. We need volunteers to help Forestry and the Vernon Parks and Fire Department with clean-up and chipping the dead trees, etc. Fallers will take the trees down so there will be no dangerous work for the volunteers....just some manual labour. Please come with gloves and safety eyewear if you have some.

RESOURCE DIRECTOR'S REPORT

The dead trees at the beach have now been cut down and hauled away.

The docks have been stained and will have a few touch-ups and will be good for another season.

The washrooms and beach area are being cleaned daily with volunteer and paid help.

There is a low spot on the road to the boat launch. Please be careful when backing up your boat trailers. LECA is looking into getting this rectified.

Notice to boaters: Please float your boat on and off the trailer. Engaging the motor and driving on and off the trailer causes washout of the ramp.
